Dear Reader,

2017 is the year beginning downtown Waterville’s renaissance. As one of my Chamber colleagues from another part of the state recently observed, ‘I am living a chamber director’s dream.’ Yes, that’s so true. Colby’s mixed use residential facility’s construction is in full swing; the steel is being put up by the time this goes to print. CGI plans to move into the Hains Building in August, and construction are progressing to build the boutique hotel which will replace the former Levine’s department store next spring. Change presents logistical challenges as well as opportunities to improve ... and that’s where the Mid-Maine Chamber team is in planning the 25th annual Taste of Waterville.

Changes abound – we think for the better. A steady stream of musicians will perform in Haines Park (inside the Concourse behind Day’s Jewelers) beginning at 11 AM. Bite Booths offering fun lunch fare will begin serving at the same time and will be located just to the south of Haines Park. Vendor Booths with everything from Lu La Roe to Pucker Powder can be found in the same area. Emery’s Meats & Produce will host a grilling demonstration beginning at 4:30 PM in Camden National Pocket Park. And don’t forget to walk around and admire all of the wheat paste paintings adhered to the buildings downtown -- take a selfie if you can find them all and tag Mid-Maine Chamber of Commerce on Facebook when you do!

Some things will remain the same. Parking remains plentiful at Head of Falls. Special handicapped parking and shuttles will be clearly marked. The Children’s Events sponsored by Skowhegan Savings Bank is exactly where it has been for years behind Key Bank. This year there will be lots of fun with new events coordinated by the Children’s Discovery Museum. Amici’s Cucina is serving up its 4th annual meatball eating contest in front of the restaurant at 7:30 PM. Come to see who will be crowned the victor this year! The bands in the Beer Garden in Castonguay Square are going to set the night on fire! Thanks for Kennebec Savings Bank for sponsoring all of the entertainment this year. And of course the greatest thing that will remain unchanged is that EVERYONE will be there and you’ll see all of your friends that you haven’t seen for ages.

Sustain Mid-Maine Coalition and its amazing volunteers will man the recycling stations scattered throughout the event. There’s lots to recycle due to the generosity of Huhtamaki that donated plates and bowls again this year. I’m so proud to have Chinet paper plates manufactured in our communities! Please help us by bringing your trash to the blue tents. And thank you to EcoMaine, Agri..., and Inland Hospital for their recycling sponsorships.

Mid-Maine Chamber has so much support for this event. From our volunteer committee chaired by Shawn Michaud (with a big assist from Gary Poulin and the rest of the team), to our “master chef” sponsors, we’re grateful to all that make all of this possible: Central Maine Motors Auto Group, CGI Technologies & Solutions, Colby College, Eye Care of Maine, FairPoint Communications, MaineGeneral Health, New Dimensions Federal Credit Union, Valley Distributors and Kennebec Valley Tourism Council plus so many more Sous Chef and Pastry Chef sponsors listed within this publication.

Please join us ... and check out downtown Waterville the next day – it’ll be restored to its pre-Taste beauty. City of Waterville staff rock it; you’ll never know that we were there! But during the Taste, you’ll make memories to last a lifetime...or at least until the next year.

Parking and other information for the Taste of Waterville

The Taste of Waterville is an all-day event with food and entertainment for all ages. Parking spaces on Main Street, Common Street, Temple Street, and a portion of the Concourse will be blocked off by 5 a.m. on August 2nd. Please be sure to remove your vehicle from these areas on by midnight on August 1st.

The Waterville Police Department will begin closing down Main Street to traffic by 2 p.m. on August 2nd to accommodate set-up for the Taste’s afternoon and evening schedule. Please note the change in venues due to downtown construction. The Beer Garden, opening at 5 p.m., will be located in Castonguay Square and on Common Street. Vendors, Bite Booths and Children’s Events will be in the Concourse near KeyBank, Day’s Jewelers and You Know Whose Pub. We ask that you please avoid parking in these areas; vehicles parked in these areas will be towed. There will be plenty of alternative parking available at Head of Falls (off Front Street) for your employees.

If you would like to know more about the day’s events, please go to www.tastecfwaterville.com.
